

Grade 56C Homework

<http://56c2011.global2.vic.edu.au>
Week 4.8 and 4.9 – Due Friday 9 December

Last homework for the year

REMEMBER to ask for help if you do not understand it. It is OK not to know what everything means, but there is always someone to help!

READING	
English	<p>Read for a minimum of 20 minutes at least three times a week. Every time you read, record the book, magazine or article and page numbers in your diary. Your diary will be checked on Friday morning, and should be signed by a parent. The homework following this will be a book review, so you may like to start reading in preparation!</p> <p>Reading (Reading/Comprehension) Keep up to date with your reading for your Literature Circle. Read other texts for enjoyment!</p> 
Maths	<p>Problem Solving Challenge (Number, Structure, Problem Solving) Have another go at the 'Factors and Multiples' puzzle we tried to complete in class last week. Use the examples in class to help you get started. You may like to work on the task with mum, dad or a sibling at home and see if you can solve it together. Give it your best attempt.</p> 
Integrated Studies	<p>Science Research Task (Reading, Science, Research) Find some information about your science question that you can bring in to class to assist you with creating your Papermation video. You might like to borrow books from the local library, conduct an experiment or research online.</p> 
Integrated Studies	<p>Life Education (Speaking and Listening, Communication, Health and PE) Share with your family what you learn attending Life Education on Thursday. Why was this an important session to attend?</p> 
OPTIONAL ACTIVITIES	
Optional Activities	<p>Mathletics- Can you earn a bronze certificate this week in Mathletics?</p> 
TIP FOR THE WEEK!	
<p>This week's organisation tip is to ensure you're in the right frame of mind before beginning homework. No point if you are really tired or exhausted. Have a snack, something to drink or a ten minute break if needed before starting.</p>
